BIGGER WILDER AND MORE DELICIOUS!

Twenty-five years ago, members of the DeLand Breakfast Rotary Club decided to host an annual fundraiser. They wanted to do something new and different to make their event stand out. The purpose of the event would be to raise money to distribute to nonprofit organizations serving the West Volusia community and a unique event would best serve that purpose. After considerable thought and debate, the Annual Wild Game Feast was born.

On May 5, 2016, the members of the DeLand Breakfast Rotary Club will host the 25th Annual Wild Game Feast. Over the years, this event has grown into one of the largest annual fundraisers in our area, hosting more than 1,000 for an evening of wild game and camaraderie. We have raised and distributed \$1.52 million dollars. Our past and future success is based on one thing: YOU.

Despite recent economic times, we hope to be able to count on your support this year. With your help, we will make this year's event the best one yet. Please consider sponsoring the Wild Game Feast.

Wild Bunch Doing Bunch of Good Deeds

Some of the recipes were wilder than the game that went into them, and there was nothing tame about the turnout, either. Some may try, but it'll be difficult to refute the published claim that the DeLand Breakfast Rotary Club's recent Wild Game Feast was "The outdoor event of Volusia County" and "the DeLand community's major fund-raiser of the year."

About 800 diners paid to sample Hoof burger and Chicken Lube, along with tamer dishes on a menu that featured venison curry and blackened gator tail. Beyond breaking the previous attendance record and compiling a record-breaking gate was the fact that this year's crowd impressively surpassed the meat eating standard set by last year's turnout

Our compliments go to the DeLand Breakfast Rotary for staging what obviously has become one of West Volusia's outstanding fund-raisers, an event that just keeps growing!

PLEASE CONSIDER SPONSORING THE WILD GAME FEAST

The sponsorship dollars raised through the Cookbook/Program covers the club's expenses on the event. This allows our club to take the full proceeds from ticket sales and raffles and put them back into the community.

Your sponsorship can be billed or you can enclose a check with your ad copy. We will design the ad for you if you simply include a business card with your logo, address, phone number, copy, etc. We will also proof your ad to you before publication.
